## "WHAT FOOLS THESE MORTALS BE"

Without any apology to 'Puck'  
we apply the expression direct-  
ly to those people who con-  
stantly neglect their eyes—who  
need glasses—and who still do  
not wear them.  
If this means you we hope it  
will cause you to think of M.  
D. Kelly, the graduate opti-  
cian, on who has made a special  
practice of examining the eyes  
and the fitting of glasses for  
the last 30 years. So come at  
once and save your eyes.

## WINNING RACE

Is Being Made by Rom Sal-  
mon, for Senator.

Although Rom Salmon has been a  
resident of Hopkins county for the  
last 30 years, he is a native of  
Christian county. He was born 8  
miles north of Hopkinsville in 1857  
and is a nephew of Judge L. T. Bra-  
sher, of this city. He has many  
relatives in the northern part of the  
county, most of them Republicans,  
and this gives him a large personal  
following outside of his own party.  
Mr. Salmon has always been a

ROM SALMON

Democrat, and for more than 20  
years has been a member of the  
Democratic committee of his county.  
He went to Earlinton to live in his  
early manhood and remained there  
three years. He then removed to  
Illisley, to work for the Crabtree  
Coal Co., and during the last 27  
years has worked his way up to the  
presidency of the company. He ranks  
among the successful business men  
of his county and is very popular  
with the miners of the county.

Mr. Salmon has never been an of-  
fice seeker, but his energies have  
been directed to business affairs.  
When nominated for State Senator,  
he was in no sense a candidate. His  
party called upon him as a man who  
could unite the party and lead it to  
victory and all of the indications are  
that his election is assured. His  
home county will give him a large  
majority—and if his native county  
will do its part there will be no  
doubt of his success.

With Mr. Salmon in the Senate,  
the district will be ably, faithfully  
and loyally represented.

and Buckner & West and the com-

The William C. Cushman Musical  
Co. will be seen at the opera house

company carries twenty-five people  
including a prize beauty chorus of  
twelve handsome and well trained  
girls. The costumes, scenery and  
electrical effects are the equal of  
any and away ahead of many  
called musical shows. Taken as a  
whole it is one of the best musical  
plays that will be seen here this  
season. The engagement is for Nov.  
4, 5, and 6.

# AFTER SUFFERING ONE YEAR

Cured by Lydia E. Pink-  
ham's Vegetable Compound

Milwaukee, Wis. — "Lydia E. Pink-  
ham's Vegetable Compound has made

me a well woman,  
and I would like to  
tell the whole world  
of it. I suffered  
from female trouble  
and fearful pain in  
my back. I had the  
best doctors and  
they all decided  
that I had a tumor  
in addition to my  
female trouble, and  
advised an opera-  
tion. Lydia E.  
Pinkham's Vegetable Compound made  
me a well woman and I have no more  
backache. I hope I can help others by  
telling them what Lydia E. Pink-  
ham's Vegetable Compound has done for  
me." — Mrs. EMMA IMSE, 833 First St.,  
Milwaukee, Wis.

The above is only one of the thou-  
sands of grateful letters which are  
constantly being received by the  
Pinkham Medicine Company of Lynn,  
Mass., which prove beyond a doubt that  
Lydia E. Pinkham's Vegetable Com-  
pound, made from roots and herbs,  
actually does cure these obstinate dis-  
eases of women after all other means  
have failed, and that every such suf-  
fering woman owes it to herself to at-  
least give Lydia E. Pinkham's Vegeta-  
ble Compound a trial before submit-  
ting to an operation, or giving up  
hope of recovery.

Mrs. Pinkham, of Lynn, Mass.,  
invites all sick women to write  
her for advice. She has guided  
thousands to health and her  
advice is free.
